

| No. of floors | Concrete volume | Surface area |
|---------------|-----------------|--------------|
| 1             | 100             | 1000         |
| 2             | 200             | 2000         |
| 3             | 300             | 3000         |
| 4             | 400             | 4000         |
| 5             | 500             | 5000         |
| 6             | 600             | 6000         |
| 7             | 700             | 7000         |
| 8             | 800             | 8000         |
| 9             | 900             | 9000         |
| 10            | 1000            | 10000        |
| 11            | 1100            | 11000        |
| 12            | 1200            | 12000        |
| 13            | 1300            | 13000        |
| 14            | 1400            | 14000        |
| 15            | 1500            | 15000        |
| 16            | 1600            | 16000        |
| 17            | 1700            | 17000        |
| 18            | 1800            | 18000        |
| 19            | 1900            | 19000        |
| 20            | 2000            | 20000        |
| 21            | 2100            | 21000        |
| 22            | 2200            | 22000        |
| 23            | 2300            | 23000        |
| 24            | 2400            | 24000        |
| 25            | 2500            | 25000        |
| 26            | 2600            | 26000        |
| 27            | 2700            | 27000        |
| 28            | 2800            | 28000        |
| 29            | 2900            | 29000        |
| 30            | 3000            | 30000        |
| 31            | 3100            | 31000        |
| 32            | 3200            | 32000        |
| 33            | 3300            | 33000        |
| 34            | 3400            | 34000        |
| 35            | 3500            | 35000        |
| 36            | 3600            | 36000        |
| 37            | 3700            | 37000        |
| 38            | 3800            | 38000        |
| 39            | 3900            | 39000        |
| 40            | 4000            | 40000        |
| 41            | 4100            | 41000        |
